

Earth-Friendly Holiday Cards

Why you need a holiday card program this season:

- People prefer to do business with people who value and appreciate them.
- You need to maintain strong relationships to succeed in today's business climate.
- Cards make a personal connection that business communications cannot match.
- Few investments are as economical and effective as a personalized holiday card.

Unique seed-paper
ornaments you can
plant!

Leave ho-hum holiday cards
to others. Stand out when you
send the best!
